

Typical Plant Design

- 1) Intake Silo and Filter
- 2) Discharge Blowing System
- 3) Day Bin and Filter
- 4) Mixing/Blending System
- 5) Weighing System
- 6) Manufacturing Process

- 7) Waste Recovery
- 8) Surge Hopper
- 9) Shredder
- 10) Suction Lift System
- 11) Big Bag Disposal System
- 12) Suction Unit
